Chronological description

My name is _____, I am glad that I have the opportunity to send you this letter and tell you about myself.

I am a citizen of the Russian Federation, born in the Republic of Kazakhstan, so I went to junior and secondary school in one country, and graduated from high school in another.

From 2010-2018, I studied at junior and secondary schools in the Republic of Kazakhstan, Almaty, Astana, with excellent and good grades.

From 2019 to 2021, my studies took place at a high school in Moscow with a focus on English and socio-economic direction. I also graduated from this school with excellent and good grades.

I have been studying English since I was 6 years old, but I am also interested in other languages of the world. I have spent several years studying Chinese and German in addition, and I am currently studying Slovenian.

17.08.2019 I passed the IELTS exam (result: CEFR — B1 level) and received 5.5 points. So, I tested myself on my language skills and realized what I still need to work on.

I am currently preparing to take the Cambridge FCE English Exam. I am sure that I will succeed because I have been preparing for this for 2.5 years, having tightened my level of language proficiency from B1 to B2, constantly improving the language and communication.
