4. Opis raziskovalnega dela (Research work description):

Vključuje morebitne dodatne pogoje, ki jih mora izpolnjevati kandidat/ka za mladega raziskovalca/ko, ki niso navedeni v razpisu za mlade raziskovalce (*It includes any additional conditions that the candidate for a young researcher must meet, which are not listed in the call to tender for young researchers.*).

Slov.:

Mladi raziskovalec/mlada raziskovalka se bo pridružil/a raziskovalni skupini Vizualna pismenost. Osnovno področje delovanja bo temeljilo na raziskovanju uveljavljenih metodoloških sistemov in kod vizualnega komuniciranja v znanosti, s poudarkom na evalvaciji kakovosti podajanja razumljivih informacij. Poleg rednega izvajanja študijskih obveznosti doktorskega študija in raziskovalnih nalog, se od kandidata/kandidatke pričakuje tudi prispevek k organizaciji dogodkov in prevzem ustreznega deleža administrativnih nalog s poudarkom na uredniškem delu znanstvenih objav in komuniciranju z založbami oz. uredništvu znanstvenih revij. Kot del raziskovalne skupine bo imel/a mladi raziskovalec/mlada raziskovalka priložnost za mednarodno sodelovanje in izmenjavo prek vključevanja v nacionalne in mednarodne projekte. Zainteresiranim kandidatom nudimo sproščeno in vključujoče delovno okolje in spodbujanje strokovnega in znanstvenega razvoja ter sposobnosti samostojnega raziskovalnega dela. Natančna vsebina programa za doktorsko disertacijo bo dogovorjena z izbranim kandidatom/izbrano kandidatko.

Zaželene so sledeče osebnostne karakteristike:

- inovativnost in natančnost
- samoiniciativnost ter smisel za organizacijo lastnega in timskega dela
- dobro razvite pisne in ustne komunikacijske veščine
- sposobnost analitičnega in znanstvenega oblikovanja besedil
- sposobnost sodelovanja v multidisciplinarnem in mednarodnem raziskovalnem okolju

Odgovornosti mladega raziskovalca/mlade raziskovalke:

- redno izpolnjevanje obveznosti doktorskega študijskega programa
- sodelovanje pri raziskovalnem delu v skupini, predvsem na nalogah, ki se povezujejo s temo doktorske disertacije
- timsko delo
- objava in razširjanje pridobljenih rezultatov v domačem in mednarodnem okolju
- sodelovanje pri drugih nalogah, ki vsebinsko sodijo v širše področje delovnega mesta po navodilih mentorja

Prednost pri izbiri bodo imeli kandidati z izobrazbo s področja oblikovanje in likovna/vizualna umetnost ter znanjem angleškega jezika na višjem nivoju.

Eng.:

A young researcher will join the [Visual Literacy](#) research group. Their primary field of work will focus on studying established methodological systems and codes of visual communication in science, with an emphasis on evaluating the quality of conveying clear and comprehensible information. In addition to fulfilling the academic requirements of the doctoral program and conducting research tasks, the candidate is also expected to contribute to event organization and assume a relevant share of administrative duties, particularly editorial work on scientific publications and communication with publishers or scientific journal editorial boards. As a member of the research group, the young researcher will have the opportunity to engage in international collaboration and exchange through participation in national and international projects. We offer interested candidates a supportive and inclusive working environment that encourages professional and academic development, as well as the ability to conduct independent research. The specific content of the doctoral dissertation program will be agreed upon with the selected candidate.

Desired personal attributes:

- Innovation and precision
- Proactiveness and strong organizational skills for both independent and team work
- Well-developed written and oral communication skills
- Ability to analytically and scientifically structure texts
- Capacity to work in a multidisciplinary and international research environment

Responsibilities of the researcher:

- Fulfilling the academic requirements of the doctoral study program
- Participating in research within the group, particularly on tasks related to the doctoral dissertation
- Team collaboration
- Publishing and disseminating research findings at national and international levels
- Contributing to other tasks relevant to the broader scope of the position as instructed by the mentor

Preference will be given to candidates with an education in design and fine/visual arts, as well as a higher-level proficiency in English.

5. Priloge, ki jih kandidat priloži k prijavi (*Documents that the candidate submits with the application*):

☒ **diplomska listina/potrdilo o zaključku študijskega programa** (*diploma certificate for study programme, with which the candidate has enrolled/ will enroll in a doctoral degree programme*)

☒ **priloga k diplomu/ potrdilo o opravljenih obveznostih** (*official transcript of all the grades for study programme, with which the candidate has enrolled/will enroll in a doctoral degree programme*)

☒ **potrdilo o do sedaj opravljenih obveznostih z ocenami študijskega programa, s katerim se bo kandidat prijavil na študij** (*official transcript of all the grades the candidate has received so far for the study programme, with which the candidate will enroll to a doctoral degree programme*)

☒ **nagrade** (*awards (e.g. Prešeren Prize of the University of Ljubljana, Prešeren Prize of a University of Ljubljana member and/or another equivalent award)*)

☒ **bibliografija** (*bibliography*)

☒ **življenjepis** (*CV*)

☒ **opis dosedanjega sodelovanja pri raziskovalnem delu** (*description of the candidate's research work*)

☒ **osnutek idejne zasnove raziskovalnega dela (največ 2 strani)** (*preliminary research proposal (maximum 2 pages)*)

☒ **druge priloge: primer pisanja (objavljeni članek, magistrsko delo ...)** (*other attachments: an example of writing (published article, master thesis, etc.)*)
