Research Integrity, Power Dynamics and Safe Institutional Culture

- Raziskovalna integriteta, razmerja moči in varna institucionalna kultura
- Tematsko bo kongres poudaril **razmerja moči** v raziskovanju in institucionalno odgovornost za spodbujanje **odprtega, varnega in vključujočega raziskovalnega okolja** kot temelja za raziskovalno etiko in integriteto v vsakdanji praksi. To pomeni tudi **priznavanje pravičnosti, enakosti in raznolikosti** kot ključnih načel. Prispevki bodo odražali vrsto izzivov ter praktične in nastajajoče rešitve za preprečevanje in ozaveščanje.

Komu je namenjen?

- Kongres je namenjen vsem strokovnjakom s področja raziskovalne integritete in raziskovalne etike, uradnikom in praktikom na področju raziskovalne integritete, članom etičnih in preiskovalnih komisij, predstavnikom raziskovalnih organizacij, organizacij za financiranje raziskav in sponzorjev ter **vsem, ki se zanimajo za krepitev in uveljavljanje dobrih praks in politik v znanosti.**

Statement by ENRIO, 21 May 2025

Research Integrity as a Safeguard for the Freedom of Scientific Research in Responsible International Collaborations

ENRIO believes this is a timely reminder of the importance of upholding the key principles of research integrity in international research collaborations. The statement provides guidance on what research organisations can do to protect and promote research integrity in international collaborations.
