

Second application period for citizens of non-EU countries

In the second application period, on September 3 and 4, 2025, only candidates who have a decision on the recognition of foreign secondary education, issued in the first application period at the University of Ljubljana, and who have not been enrolled in a degree programme after completing the selection procedure for this academic year, can apply for the remaining available enrollment slots.

Additionally, candidates can apply who:

- Have a decision on the recognition of foreign secondary education issued before 2005,
- Have an International Baccalaureate or European Baccalaureate,
- Have completed secondary school in the former SFRY before June 25, 1991,
- Have a decision on the recognition of foreign secondary education issued by other universities and independent higher education institutions in Slovenia with permanent validity.

Candidates must submit their online application for enrollment in the first year of undergraduate and integrated master's programmes along with the required documents in accordance with the enrollment announcement on the eVŠ portal at <https://portal.evs.gov.si/prijava/>

They may submit a maximum of three applications, selecting one preferred degree programme per application.

If the number of applications for a degree programme, which is listed first in the second application, exceeds the number of available enrollment spots, candidates will be selected based on the criteria specified for the degree programme in the enrollment limitations.
