

COSTA RICA

CONVERSION OF GRADES

Conversion of grades from Costa Rican certificates into the Slovenian grading system:

Costa Rican grading scale	Slovenian grading scale
90 – 100 (sobresaliente)	5 (excellent)
80 – 89 (notable)	4 (very good)
65 – 79 (suficiente)	2 (sufficient)
Below 65% (insuficiente)	1 (insufficient)

The grades from the penultimate and final years of secondary school are used. If the overall grades of the last two years are not stated, the average of all listed grades in the individual year will be used in determining the overall grade for an individual year.

DETERMINING GRADES IN THE SCHOOL LEAVING CERTIFICATE

If in the process of recognition the school leaving certificate is treated as the final exam, which was taken in Slovenia up until 1995:

- the highest number of points is 10 – 100 standardised points, and the lowest is 4 – 40 standardised point,
- if the school leaving certificate gives no grades, the performance in the final exam is taken to be the overall grade from the last two years of secondary school.
