

URGENT NOTICE

To all University of Ljubljana employees and students

Date: 29 April 2020

Re: COVID-19 MEASURES

In view of the current coronavirus situation in Slovenia, the measures introduced by the Slovenian Government and the recommendations of the University of Ljubljana COVID-19 Coordination Team based on the opinion of epidemiologists and infectologists, the University of Ljubljana Rector, Igor Papič, has adopted the following

RESOLUTION

All the COVID-19 prevention measures and decisions adopted by the University of Ljubljana Rector referring to teaching and research and limited direct personal contact in all other activities at the University of Ljubljana shall continue to apply until and including 10 May 2020 or until this resolution is revoked.

Because the applicable restrictive measures of the Slovenian Government have still not been relaxed, we currently cannot yet implement the recommendations for teaching provided in the resolution of 15 April 2020 and the recommendations for research presented in the resolution of 22 April 2020.

This resolution shall take effect immediately and shall apply until it is revoked, but at least until and including 10 May 2020.

Best regards,

Igor Papič
Rector
