

Dear students,

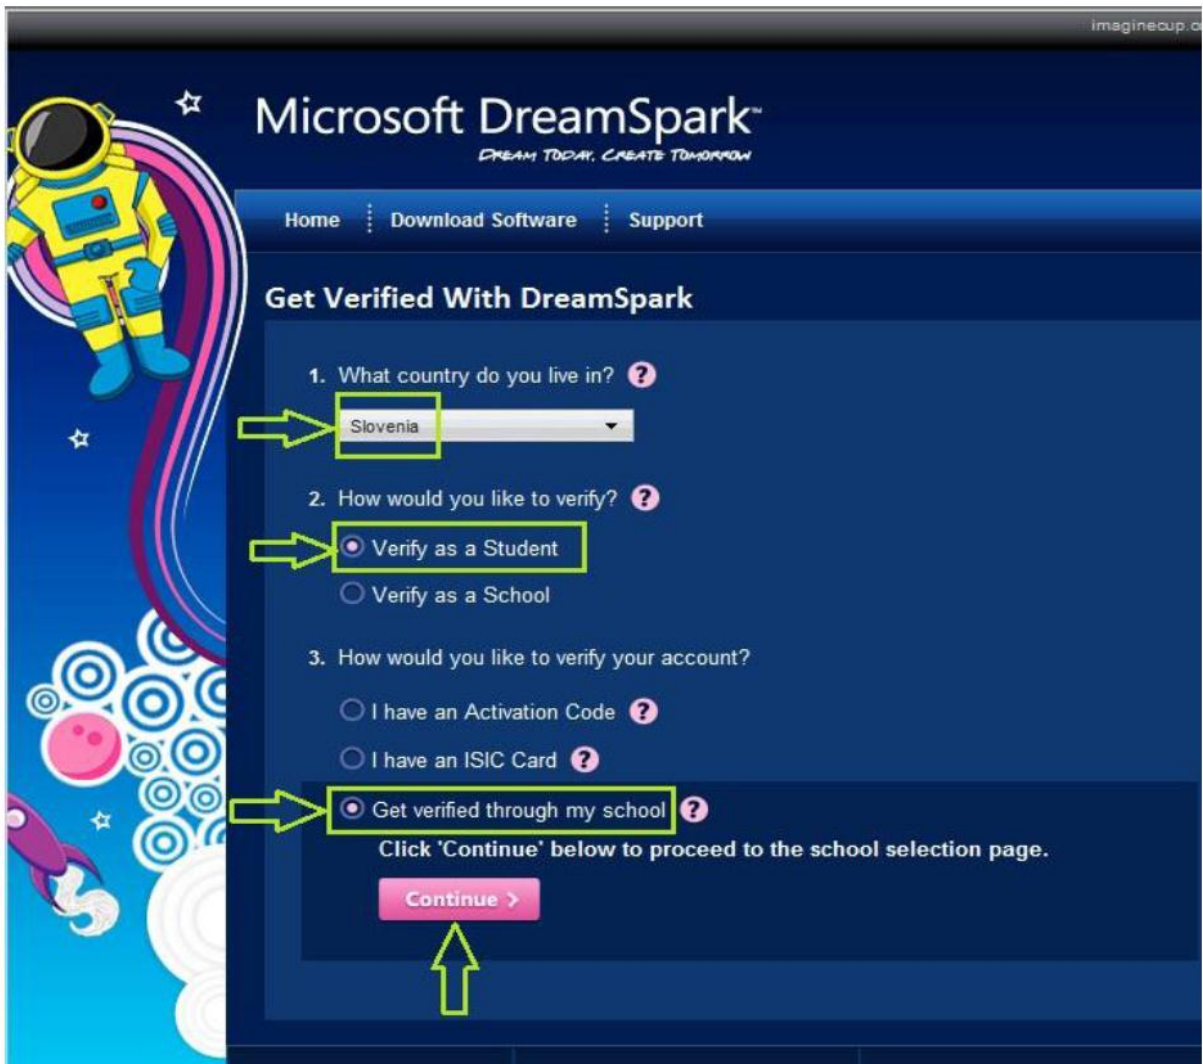

Some Microsoft products, such as Windows, SQL servers, tools like Visual Studio, Visual C#, Visual C++, etc. can be free downloaded from the website <https://www.dreamspark.com>

NOTE: It is not possible from this site to free download the operational system Windows or Office, to your personal computer.

Click <https://www.dreamspark.com> and then »Sign In« for free download- as presented on the picture below.

Then choose »Slovenia« by the first question and click »Verify as Student« by the next. In the third question click »Get verified through my school« - as presented on the picture below.

After clicking »Continue«, a new site is open. Click »Slovenia« again and then choose »University of Ljubljana« on the right side menu – as presented on the picture below.

After clicking »Continue«, enter your e-mail address and confirm it.

NOTE: the e-mail address has to be the university address (uni-lj), no other domain will do. In case you do not have the uni-lj. E-mail address; please create it in the ID site: <https://id.uni-lj.si>. First you have to create your digital identity (button »Digital Identity«) to activate your user's name (in the form: ab1234@student.uni-lj.si and the password). Then you click »E-mail« and activate your university e-mail address.

After confirming the e-mail, you will be informed »An activation e-mail has been mailed to you. Please follow the instructions in the e-mail to get your DreamSpark account activated«.

You will receive an e-mail message with a code from the sender noreply@dreamspark.com.

Follow the instructions from the e-mail and click the link <https://www.dreamspark.com/Activate/> and copy the activation code from the mail into the empty window.
