Fostering Internationalization at Montenegrin HEIs through Efficient Strategic Planning

Univerza v Ljubljani

Project "Fostering Internationalization at Montenegrin HEIs through Efficient Strategic Planning – IESP"

TEACHING MULTICULTURAL GROUPS OF STUDENTS IN HE SETTINGS, 19th and 21st April 2021

Respected,

You are welcome to join us at the workshop **»Teaching multicultural groups of students in HE settings«**, organized by the University of Ljubljana Faculty of Arts, Centre for Pedagogical Education.

If you wish to attend the workshop, **please register** by completing **this form** by **15 April 2021** (target group: teaching and administrative staff). You will receive a link to follow the online presentation to your e-mail address.

We look forward to meeting you and greet you kindly.

The University of Ljubljana team

GOALS OF THE WORKSHOP

Participants will:

- understand what are the key didactic features of teaching in heterogeneous student groups
- discuss their experience with teaching in heterogeneous groups of students
- reflect on the differences of teaching in smaller and larger groups of students
- understand how the individual approach to students with various characteristics can be supported by the usage of dynamic didactic strategies (methods, organizational forms, educational materials, infrastructural settings, etc.)
- develop cultural sensitivity and understand the importance of inclusive higher education
- understand the concept of intercultural education and its relevance for HE
- learn how to become culturally sensitive educator
- discuss the pros and cons of mobility and internationalisation and their impact on students' intercultural competence
