Dr. Ronald de Bruin,

Director of COST Association - European Cooperation in Science and Technology

14:05 – 14:15 Discussion

14:15 – 15:15 **4. Synergies**

Research and innovation performance correlates with the efficiency of national research and innovation systems. Besides the Widening Programme, there are many opportunities at regional or national level to increase research and innovation performance through synergies with European Structural and Investment Funds, national funds, Recovery and Resilience Facility and other funding sources in the new financial perspective 2021-2027. An important part of the synergies is also an investment in research infrastructure in Widening regions.

14:15 – 14:30 **Future planned synergies between Horizon Europe and Structural funds, RRF and national funds in the period 2021-2027 in Slovenia**

Mag. Tanja Vertelj,

Secretary, Science Directorate, Ministry for education, science and sport of Slovenia

14:30 – 14:45 **Good practice: synergy between H2020 and ERDF in case of ELIXIR European research infrastructure in Slovenia and importance of this investment for University of Ljubljana capacity building in life sciences**

Prof. Dr. Brane Leskošek,

Head of ELIXIR Slovenia,
University of Ljubljana

14:45 – 15:00 **Synergies between ESIF and H2020 in Czech Republic - lessons learned and future steps**

Dr. Václav Velčovský, Ph.D.,
