

CONFIRMATION AND EVALUATION SHEET

for the Applicant¹ in the 2nd Public Tender for Young Researchers Candidates for the year 2012, published on the University of Ljubljana website on 3 August 2012

1. Research organisation: **University of Ljubljana, <name of Member>**.....
2. First name and last name of the Mentor:
3. First name and last name of the Applicant:
4. Scientific field from the ARRS code table:

I. The Applicant meets the conditions for becoming a YR Candidate (circle)

1. Holds a degree in a relevant field (bachelor's degree, obtained in a study programme adopted in the Republic of Slovenia before 11 June 2004; or 1 st and 2 nd cycle of the Bologna study programme; or bachelor's degree adopted in the Republic of Slovenia before 11 June 2004 or 2 nd cycle of the Bologna study programme; or master's degree, obtained in a master's study programme adopted in the Republic of Slovenia before 11 June 2004; or comparable degree obtained at foreign universities ²) and an average mark for all examinations and coursework (excluding the diploma examination) of at least 8.00 ^{3,4} , and meets all the conditions for doctoral studies; or	Yes	No
2. The applicant does not hold a degree – is enrolled in the last year of a university course or 2 nd cycle of the Bologna study programme or is a candidate for graduation with at least 80% of all exams passed (including coursework) ⁵ ; or	Yes	No
3. No more than 5 years have passed since defending the diploma thesis in the relevant study programme referred to in the first indent hereunder, for which the Applicant has submitted proof of meeting the required education level condition, whereby the five-year period is set as up to 30 September of the current year ⁶ ; or	Yes	No
4. The applicant has already received funding from the Young Researchers Programme but has prematurely terminated the agreement or did not complete the training programme within the period stipulated in the contract.	Yes	No

The Applicant meets the required conditions in full **Yes** **No**

¹ The terms Candidate, Applicant, Young Researcher and Mentor are used neutrally in the text for both men and women.

² The Applicant who has obtained a relevant degree at a foreign university must submit a photocopy of the diploma with the annex and photocopy of the decision by the University of Ljubljana on the recognition of a foreign diploma with a view to access education in the Republic of Slovenia. If the Applicant has not yet received the decision in question, he/she submits a signed Statement No. 3.

³ With Applicants who have obtained a relevant foreign degree, an appropriate translation of marks shall be taken into account. The translation of marks must be substantiated in writing by the mentor's member faculty.

⁴ If the Applicant for the Young Researchers Candidate is already enrolled in a postgraduate course to obtain a scientific title or holds a master's degree, obtained in a master's study programme adopted in the Republic of Slovenia before 11 June 2004, the average mark achieved in the undergraduate university study programme or 1st and 2nd cycle of Bologna study programme combined is no longer important, except in the event of re-enrolment in the first year of the postgraduate course.

⁵ If the Applicant has not yet obtained the required education, he/she submits Statement No. 3. By 15 September 2012 at the latest, the Applicant must graduate from an accredited study programme in Slovenia and achieve an average mark of at least 8.00 in all exams and coursework (excluding the diploma examination), as well as submit a confirmation of the completed degree and a certificate of passed examinations and coursework.

⁶ If the Applicant is already enrolled in a doctoral study programme without the financial support of the Agency or the Ministry of Science, the period since the defence of the bachelor's or master's thesis shall be extended beyond five years, namely one year shall be added for each study year entered. If the Applicant has used parental leave – with one year accounted per one child – the period since the defence of the bachelor's or master's thesis shall be extended beyond five years. This equally applies to the Applicant's documented sick leave exceeding six months.

II. Evaluation of the Applicant for Young Researchers Candidate (evaluated by the Mentor)

1. The average mark for all examinations and coursework (excluding the diploma examination), rounded to two decimal places: <ul style="list-style-type: none"> • in the undergraduate university study programme (adopted in the Republic of Slovenia before 11 June 2004) (at least 80% of all examination and coursework must be passed) or • in the 1st or 2nd cycle of the Bologna study programme combined (at least 80% of all examination and coursework must be passed) or • in the undergraduate university study programme (adopted in the Republic of Slovenia before 11 June 2004) and in the 2nd cycle of the Bologna study programme combined (all examinations and coursework must be passed) 	
2. Holds a master's degree obtained in a master's study programme adopted in the Republic of Slovenia before 11 June 2004 (1.00 point)	
3. Is already enrolled in a doctoral study programme (3 rd cycle of the Bologna study programme) (0.50 points)	
4. Has received the University Prešeren Award (1.00 point)	
5. Has received the Prešeren Award by the member faculty or an award of equal value by the member faculty (0.50 points)	
6. Has published scientific articles ⁷ (1.00 point for authorship or a proportionate share for co-authorship)	
7. Collaboration in research work (at the discretion of the mentor) (up to 3.00 points)	

Overall score: _____

Mentor:

Dean:

Seal of the RO

Head of RO: Prof. Dr. Radovan Stanislav Pejovnik
CHANCELLOR OF THE UNIVERSITY OF LJUBLJANA

⁷ Only scientific articles published in journals, which are considered in the procedure of habilitation to educational and research titles by the member faculties at the University of Ljubljana, are taken into account. Papers from conferences are not taken into account, despite being published in the conference proceedings.
